## Master of Business Administration

The Master of Business Administration degree is designed for today's busy working adults who seek advancement opportunities in business-oriented fields.

- Complete the accelerated, accredited graduate program in as few as **16 months**.
- Helps students develop and enhance leadership skills through a focus on business problem solving, analytical analysis, and decision-making processes.
- Students will apply these multidisciplinary skills in a highly integrative business simulation capstone project.

By taking four additional courses, students have the option of earning a concentration in one of these areas:

- Management
- Nonprofit Management
- Human Resources
- Healthcare Administration

FOCUSED & FLEXIBLE

"Tusculum's MBA program far exceeded my expectations with coursework taught by exceptional professors and helped form lasting relationships with other graduate students. I have been able to apply what I was taught in the program and flourish in my career."

**Beth Anne Collins**  
MBA Class of May 2015

## Affordability

Tusculum is committed to making a quality education affordable for our students. More than 80 percent of students in our Graduate and Professional Studies programs receive financial aid. Tuition rates are quite competitive. The fee for this Master's Degree program is only \$357 per credit hour. There are a variety of resources available to help students pay for college including federal loans, veterans benefits and highly competitive payment plan options. Our **monthly tuition payment plan** is intended to help make the costs of higher education manageable for our students and does not incur interest charges, unlike similar payment plan options offered by other comparable higher education institutions. For more information regarding our payment plan options, please contact the Business Office at 1-800-729-0256 Ext. 5060 and ask to speak to a student account associate or email [Business@tusculum.edu](mailto:Business@tusculum.edu).
